1315.53. Criteria for Reviewing Physician

The independent clinical evaluation shall be performed by a physician who specializes in the diagnosis and/or treatment of disabilities of the same nature as that of the applicant, who is familiar with the applicant's areas of medical practice, and who has no personal, professional, business, or social relationship with the applicant. The term "professional relationship" includes but is not limited to, a current or previous physician-patient relationship with the applicant. The reviewing physician shall possess a current valid California license with no history of discipline.

NOTE: Authority cited: Section 2018, Business and Professions Code. Reference: Sections 2088 and 2441, Business and Professions Code.

1315.55. Required Contents of Report.

(a) A report submitted pursuant to this Article shall:

(1) Be on the reviewing physician's letterhead, dated, and signed under penalty of perjury, and shall contain the original signature of the reviewing physician.

(2) Describe how the reviewer meets the criteria set forth in section 1315.53.

(3) Include the applicant's name and the diagnosis or description of the applicant's disability.

(4) Describe all recommended practice limitations and how those limitations permit the applicant to practice medicine safely.

(5) Provide suggested intervals between evaluations, if the disability is caused by a disease that will progress or fluctuate in severity.

(6) Indicate whether the evaluation included a review of the applicant's medical records related to the disability.

(7) Describe the current treatment protocol and the applicant's compliance with that treatment protocol, if appropriate for the type of disability.

(b) The evaluation shall have occurred not more than sixty (60) days from the date on which the application was filed with the board.
